

For students admitted to the graduate schools of HU in the 2021 academic year

Nitobe College Foundation Program for Graduate Students

Call for Applications

Utilize Your Expertise, Unleash Your Potential

This is a interdisciplinary education program designed for graduate students to develop their abilities and skills for embracing their expertise. By completing the program, students will have built their competency for sustainable personal development, team organization and management skill, knowledge application capacity, and awareness of professional ethics.

Eligibility: Students who are enrolled in Hokkaido University's master's or professional degree programs.

Structure: The program consists of Foundation Program and Honors Program. Their core courses are offered as Inter-Graduate School Classes (postgraduate common subjects) and each program can be completed in six months.

Please refer to the following website for further details:
