

Rethink Your
Cultural
Assumptions!

Nitobe College Honors Program: Graduate Curriculum presents

Cultural Norms “vs.” Ethical Norms?

Thinking about Ethics and Tolerance in a Global Society

Global Ethics: Right, Wrong, or Relative? This **Nitobe College open class on ‘Professional Ethics’** helps you navigate the tension between cultural norms and universal ethical truths. By engaging with real-world case studies and participating in class discussions, you can enhance your ethical reasoning and address complex global issues with sensitivity and critical insight. Join us!
