

Bridging Gaps  
in Hokkaido  
Travel!

Nitobe College presents the Final Presentations of Pre-program

# Open Hokkaido: Improving Access for Global Travelers

How can we solve Hokkaido's tourism challenges? In the **Final Presentation of Global Practical Course II**, students will explore the dilemmas surrounding travel in Hokkaido. Utilizing the project management skills learnt throughout the course, students will present their interdisciplinary projects for improving access for global travelers. Join us to see their solutions!
